

Opening Session of the Scoping Meeting for the  
IPCC Special Report on the impacts of global warming of 1.5 °C above  
pre-industrial levels and related global greenhouse gas emission pathways in the context of  
strengthening the global response to the threat of climate change, sustainable development,  
and efforts to eradicate poverty

INTERGOVERNMENTAL PANEL ON climate change

# What is next for the IPCC?

## IPCC Decision XLIII-5

“To take the outcomes of the 21st Conference of the Parties to the United Nations Framework Convention on Climate Change (UNFCCC) into consideration when determining the IPCC programme of work and products for the sixth IPCC assessment cycle”

## AR6 cycle Special Reports on

impacts of global warming of **1.5 °C** above pre-industrial levels and related global greenhouse gas emission pathways by 2018

Climate change and **oceans** and the **cryosphere**

Climate change, **desertification**, **land degradation**, **sustainable land management**, **food security**, and **greenhouse gas fluxes in terrestrial ecosystems**

# IPCC Reports

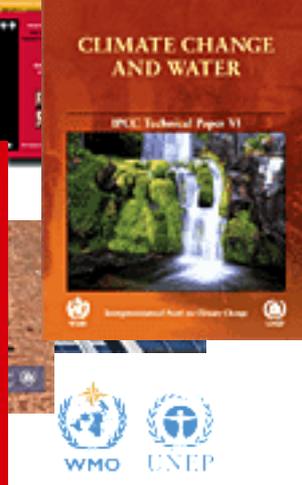

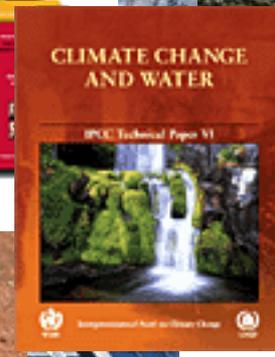

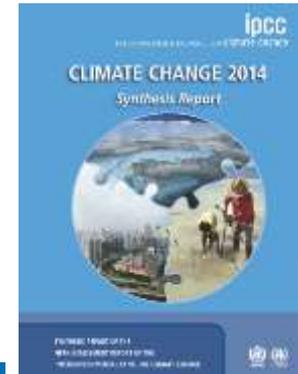

Five assessment reports (1990, 1995, 2001, 2007, 2013-14)

1992 supplementary report and 1994 special report

Nine special reports (1997, 1999, 2000, 2005, 2011, 2012)

Guidelines for national GHG inventories, good practice guidance (1995, 1996, 2000, 2003, 2006, 2013)

Six technical papers (1996-2008)

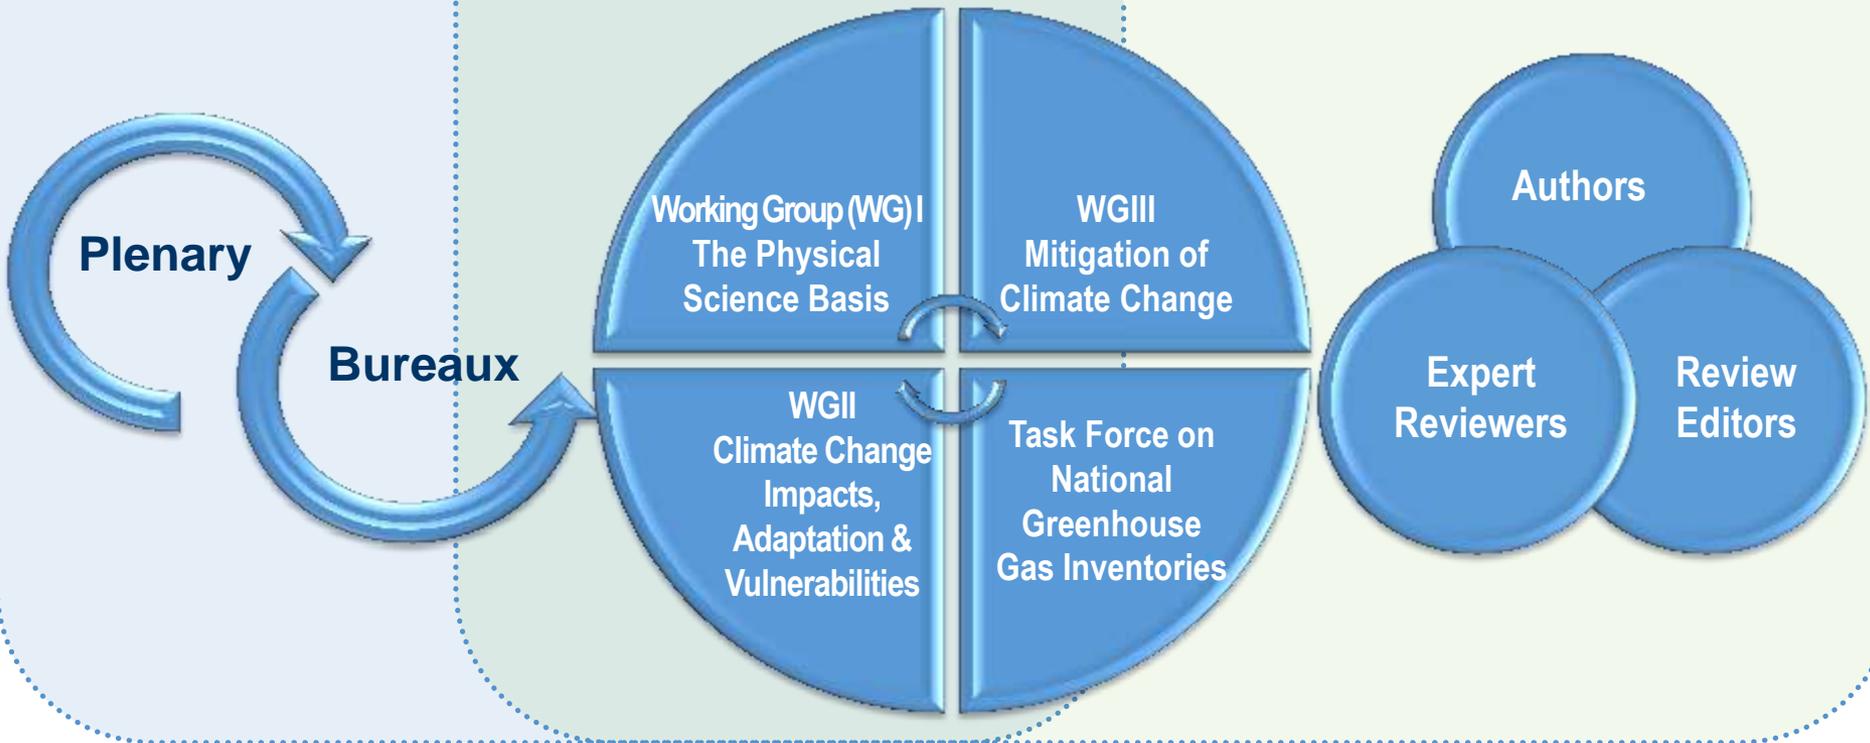

# Science/Policy Interface

**IPCC** – jointly established by **WMO** and **UNEP**, action endorsed by the **UN General Assembly**

**Intergovernmental Panel:** 195 member States appointing National Focal Points: from Meteorological Office, Environment Ministry or other relevant authority

Hundreds of **scientists and experts from around the world** are involved on a voluntary basis in the preparation of IPCC reports

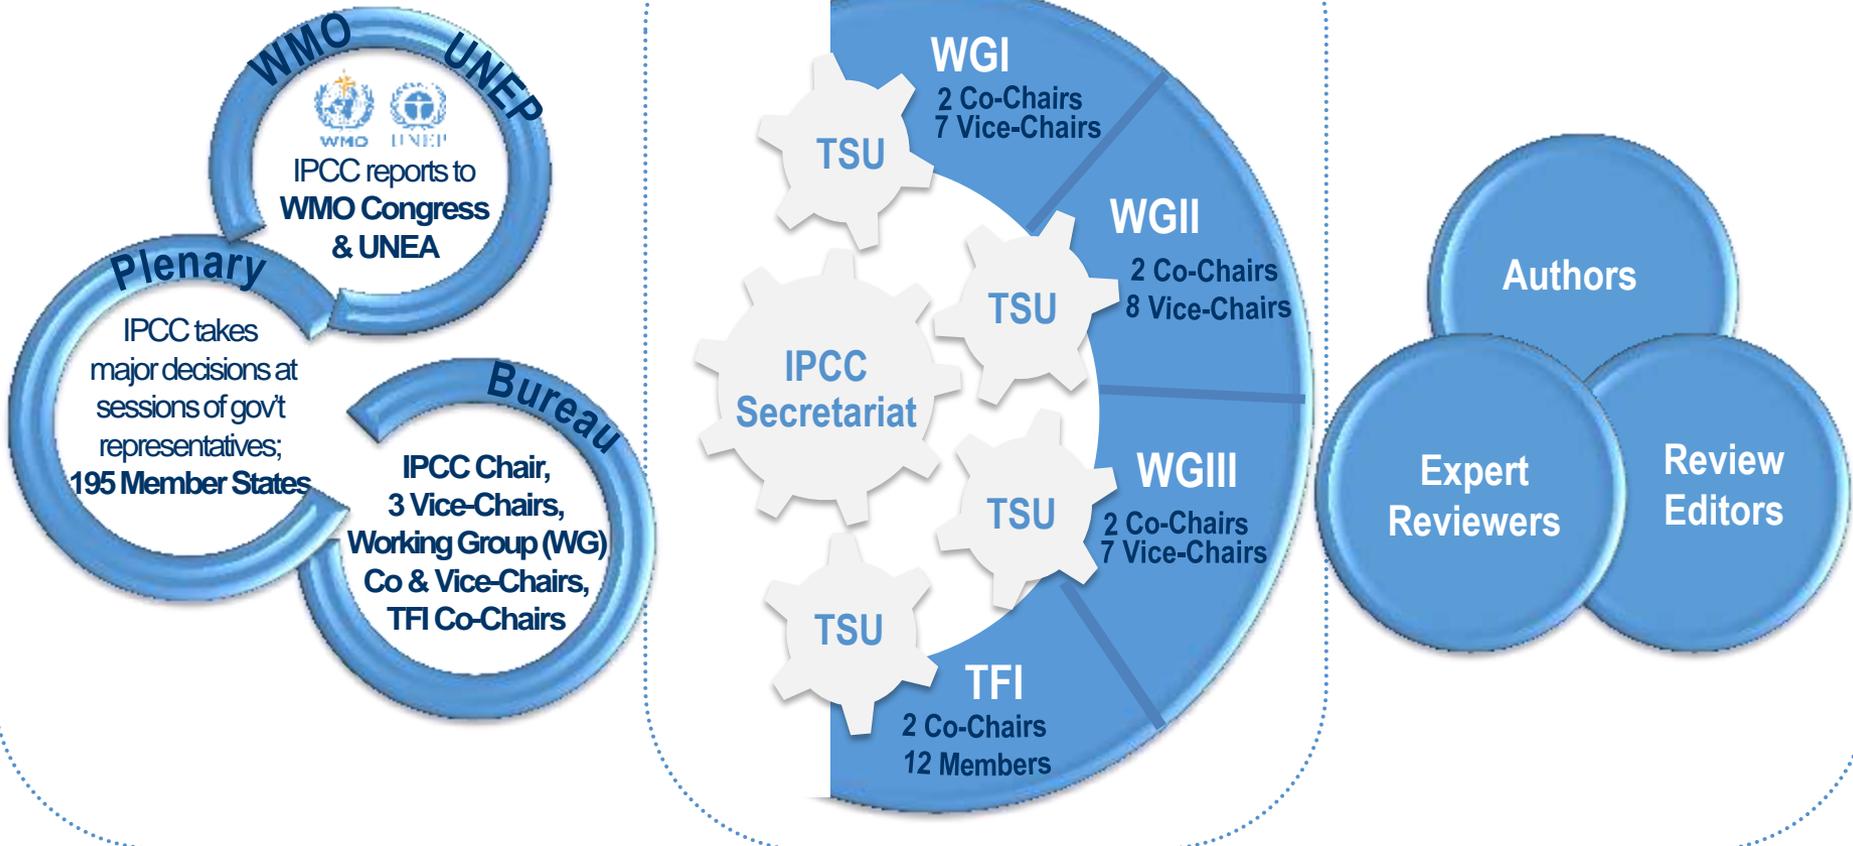

**ipcc**

INTERGOVERNMENTAL PANEL ON climate change

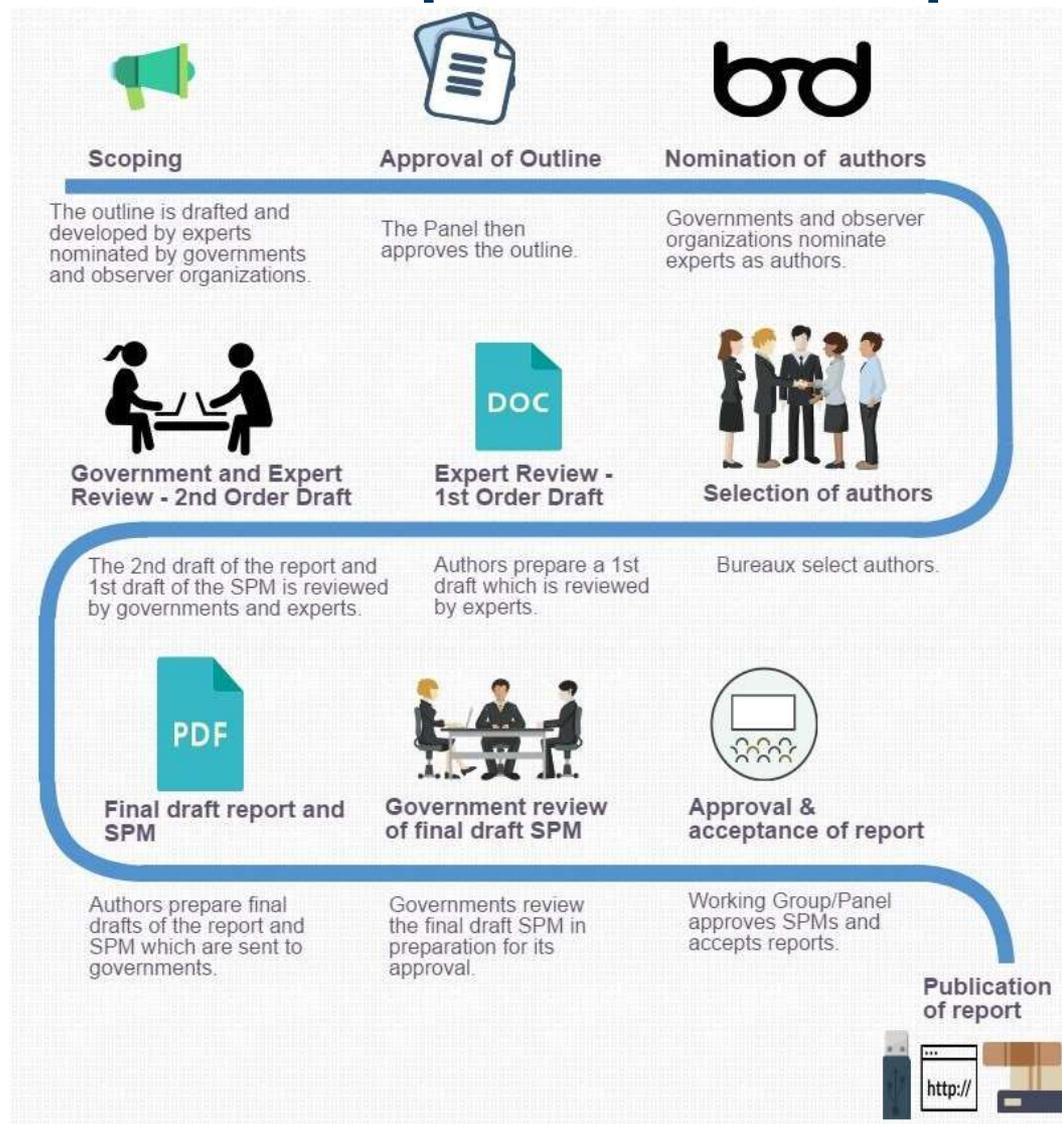

# IPCC Governance

IPCC: science and policy work together to provide rigorous and balanced scientific information on climate change

# How the IPCC produces its reports?

# THANK YOU FOR YOUR ATTENTION!
